

Warranty
Lifetime Against Failure due to Corrosion

Warranty:

Corrosion:

Simon Door doors and door frames are guaranteed for lifetime against failure due to corrosion from the specific environment named at the time of purchase. Simon Door and industry tolerances and variations are excluded from this guarantee.

Materials and Workmanship:

Simon Door doors and door frames are guaranteed for ten years against failure due to materials and workmanship, including warp, separation or delamination, and expansion of the core. Simon Door and industry tolerances and variations are excluded from this guarantee.

For questions on this warranty call Simon Door at 1-866-894-7511 or e-mail questions to info@simondoor.com

A new door and/or frame will be offered in replacement or the original factory price will be refunded at Simon Door's option. This guarantee does not extend to failure caused by physical abuse, misuse, or improper installation.

As part of the Warranty, no alterations to the construction of the doors or frames are permitted without prior written consent and approval from Simon Door.

FRP Accessories:

Simon Door accessories are warranted to be free of defects in both workmanship and materials for a period of five years. Simon Door's liability under all warranties, express or implied, will be limited to the replacement of defective FRP accessories. The defective goods must be returned to Simon Door with freight charges paid

Limited Warranty:

Labor and/or expenses incurred to remove or replace any defective product or defective component thereof is not included in Simon Door's warranty.

Limited Liability:

Simon Door is not liable for incidental or consequential damages, and its liability shall, under all circumstances, be limited to repair, replacement or refund of your original purchase price of the defective door, at Simon Door's option. Under no circumstances shall Simon Door be liable to the Purchaser or any third party for direct, indirect, special or consequential damages of any kind or nature arising out of this transaction or the design, manufacture, sale, delivery, installation, possession, resale, use, operation or maintenance of such products. Simon Door's liability on any claim, loss, or liability arising out of or connected with this transaction, (including but not limited to, loss or liability arising from negligence, strict liability in tort, warranty or breach of contract), shall in no case exceed the price paid by Purchaser to the Company for the items or the charges for installation or service involved in the claim, as the case may be. Simon Door shall have no liability for any liquidated damages whatsoever unless specifically agreed to by Simon Door in writing.

Characteristics Excluded From These Warranties:

The following are not defects in workmanship and are not covered by this written Warranty:

1. Damage to finish caused by careless or deliberate mishandling when doors or frames are installed.
2. Natural variations in the color or texture of the doors.
3. For doors 3'x7' or smaller, warp not exceeding one-fourth inch (1/4") in the plane of the door itself; for doors larger than 3'x7', up to 4'x10', warp not exceeding three-eighths inch (3/8") in the plane of the door itself (see movement due to diurnal variation).
4. Defects caused by warp or bow of the frame or jamb caused by uneven wall opening to which jambs are attached.
5. Misalignment, movement or temporary bowing may take place due to diurnal variations of temperature or wide contrasts in temperature between opposite sides of doors as recognized by (S.D.I./ANSI A-250.8-1988) and are inherent to materials used.

Simon Door reserves the right to make changes in designs and specifications or to make additions or improvements on its products and guarantees without notice and without incurring any obligation to incorporate them on products previously manufactured. Simon Door is not responsible for any modification, addition or alteration to the doors and/or frames by others without prior written consent.
